June 30th, 10:30 am – 2:30 pm:

The Southeast Michigan PACE Summit

Lean & Green Michigan presents the Southeast Michigan PACE Summit! Originally scheduled to be held in downtown Ann Arbor, the Southeast Michigan PACE Summit is back in its new online platform.

The Virtual Southeast Michigan PACE Summit will include presentations on Southeast Michigan-based PACE projects, panel discussions on energy financing and the economic benefits of creating energy efficient buildings, as well as updates on local sustainability efforts.

Speakers include:

- Bali Kumar, Lean & Green Michigan
- Bob Mattler, Green Portfolio Solutions
- Chris Ellis, Greenworks Lending
- Jan Culbertson, Ann Arbor 2030 District
- Jason Beale, Wright Energy Partners
- Mike Shesterkin, Southeast Michigan Sustainable Business Forum
- Missy Stults, City of Ann Arbor Office of Sustainability and Innovations
- Paula Holtz, Michigan Economic Development Corporation
- Phil Santer, Ann Arbor SPARK
- Rafi Golberstein, PACE Loan Group
- Sonya Delley, PACE Equity
- Lucas Dixon, Plug Smart
- Todd M. Williams, Lean & Green Michigan
